ORDER:

In the G.O.1st read above, orders were issued constituting an Expert Committee to look into the aspects of pollution on account of Oil Industries in Konaseema area.

2. In the reference 2nd read above, the Members of the Expert Committee have reported that the G.O. is limited to industries in Konaseema area and there are other Oil companies such as RIL, GSPC & pipeline network located outside Konaseema area which are having similar problems in the District, which needs to be reviewed and periodically inspected. The Committee opined to include the representative from Director General Mines Safety Department, who is the concerned authority to look after the safety part of Oil & Gas Industries and therefore requested the Government to amend the G.O., so that the committee can look into the aspects of pollution on account of oil industries in entire East Godavari District.

3. Government after careful examination, hereby accepts the above proposal and accordingly issue the following amendment to G.O.1st read above:
